Description

This 2019 Peugeot Partner van boasts an impressive service history, with its last service completed on 30th April 2026 at 190,335 miles, offering peace of mind alongside its clear vehicle history check. This Professional Standard Panel Van SWB is equipped with a 1.6L BlueHDi diesel engine, meeting Euro 6 emission standards. It comes with a 6 month warranty and a 12 month MOT will be provided upon purchase, ensuring its roadworthiness. This Peugeot Partner stands out with its exceptional fuel economy, achieving an impressive 67 mpg, which is significantly better than many other vans. It also offers a substantial payload capacity of 1050 kg, making it a practical choice for carrying goods. Furthermore, its low CO2 emissions and low insurance group highlight its cost effectiveness, indicating it is a more economical option compared to similar vehicles on the market.
